A new change for this retreat It is now a 4 day retreat! I've dropped the one day so now you have a chance to complete your retreat quilt before you go home. The retreat is still at the same location, just minutes away from the ocean. You will have 2 meals provided but who knows, maybe a little extra might be thrown in??? Lodging is on your own everyone gets their own table. So stay cook and visit the area and get some ME time in. Always a fun place to sew at.

Let's Quilt Retreat - McCloud, CA

McCloud is an historic town, located just southeast of Mt. Shasta. This retreat is held at the restored McCloud River Mercantile Hotel ... sewing upstairs in a very spacious room where every person has their own table. You will be booking your own lodging, there are rooms at the Mercantile Hotel or you may want to try one of the many other hotels/bed and breakfasts throughout the town. This is a charming area, you'll love the town. The price includes 3 days of sewing and 2 meals (your hotel will provide you with breakfast), plus so much more. The sewing room will accommodate all of us (even your own 'in house' quilt shop).... so bring your quilting group, family, or even come by yourself, there's room for everyone, don't delay! The new location is at the Red Lion Hotel in the coastal town of Eureka. It's hot inland, not at this retreat! The price includes 2 meals but lodging is on your own. Should you stay at the hotel, a discount will be provided. The room is well lit and everyone will have their own table. Very comfortable sewing room with great fellow quilters and an in-house vendor.

Let's Quilt Retreat - Harmony Ridge, CA

This new location was just introduced in September and it surely will become a favorite for many. Nestled in the timber above Nevada City, you'll find this delightful Harmony Ridge Lodge, offering you a very peaceful atmosphere, large spacious bedrooms and a delightful building to sew in. The grounds around this Lodge are quite beautiful with many seating areas to just 'sit back and enjoy'! The retreat can accommodate quite a few, your fee includes lodging, 4 meals and the class. Sign ups will begin once you receive this form. A waiting list will be kept.

Let's Quilt Retreat - Weaverville, CA

The location for the retreat is a winner! It's a local quilters studio and it has everything you would want. She provides each a 4 ft table, rolling chairs, cutting and ironing stations, a complete kitchen and easy parking. You will need to find your own lodging, I do suggest the 49er Motel which is under new ownership and very clean and reasonable. You will have 2 meals provided at the retreat. This is a smaller group, but full of great spirit.

Lodging will be up to you, but don't worry, there are plenty of choices nearby. This retreat can accommodate many quilters, so come and have a great time! Let's Quilt Retreat - Colusa, CA

Held at Friends Around the Block quilt shop, this location is becoming a favorite for many. The classroom is wonderful as is the staff and the fabric selection (something for everyone). The price includes 2 meals and of course the class and other goodies. You will have to find your own lodging, but I feel that's not a problem. This town is quaint and very charming, you won't want to miss this one. This will be a smaller size retreat and that means more personal attention from me and the staff.
