Let's Quilt Retreat - Citrus Heights, CA. This location you're going to love it! The store is Runs With Scissors and it's delightful. The classroom is large and spacious and we'll have plenty of room to move about. The shop is only steps away from the classroom which makes it very convenient for those quick buys. Lodging is on your own, I have arranged for 1 meal to come to the classroom. All other meals will be on your own. Hope you'll come and be part of my 'maiden voyage' at this new retreat address.

Let's Quilt Mini Retreat - Williams, CA The retreat is 3 days and you will be responsible for the lodging. The price includes the retreat and 1 meal. The conference room is ours and so we can set the times. This will be held at Granzella's Inn which is known for their food and lodging. Sign ups will begin when you receive this mailing. I can accommodate 14 people don't be left out! A waiting list will be kept.

Let's Quilt Retreat - Brookings, OR This retreat is 4 days working on one quilt. 1 dinner will be offered with all other meals being on your own. The appeal to this venue of course is the weather hot inland and cooler on the coast! Both events will be known classes or you can work on your own project. The location is the same with some modifications in the number of meals. Lodging will be on your own if interested, book your room sooner rather than later. This is becoming a favorite for all. Sign ups start immediately don't delay, would love to have you!

Let's Quilt Retreat - McCloud, CA This year it's a new month due to prior bookings at the hotel. BUT, not too worry, we'll still have a wonderful time as always. McCloud is an historic town, located just southeast of Mt. Shasta. This retreat is held at the restored McCloud River Mercantile Hotel ... sewing upstairs in a very spacious room where every person has their own table. You will be booking your own lodging, there or you may want to try one of the many other hotels/bed and breakfasts throughout the town. This is a charming area, you'll love the town. The price includes 3 days of sewing and 1 meal (your hotel will provide you with breakfast), plus so much more. The sewing room will accommodate all of us (even your own 'in house' quilt shop).... so bring your quilting group, family, or even come by yourself, there's room for everyone, don't delay? Sign ups begin once you receive this form. A waiting list will be kept.

Let's Quilt Retreat - Eureka, CA Held at the Red Lion Inn. Everyone gets their own 6 ft table plus wonderful lighting and plenty of room to move about. The hotel will have a block of rooms waiting for you at a discounted price. Should you wish to room elsewhere, no problem as you will be making your own reservations. Your price includes the retreat and 1 meal. Eureka is a very picturesque city. Sign ups start once you receive this form. A waiting list will be kept.

Let's Quilt Retreat - Harmony Ridge, CA Nestled in the timber above Nevada City, you'll find this delightful Harmony Ridge Lodge, offering you a very peaceful atmosphere, large spacious bedrooms and a delightful building to sew in. The grounds around this Lodge are quite beautiful with many seating areas to just 'sit back and enjoy'! The retreat can accommodate quite a few, your fee includes lodging, breakfast from the lodge, 1 meal from me and the class. Sign ups will begin once you receive this form. A waiting list will be kept.

Let's Quilt Retreat - Grass Valley, CA Held in this quaint town, you'll find everything you need within a short distance from where we sew. Sewing at the Courtyard Inn and Suites is very pleasant with everyone having their own table. Lodging is up to you a reduced rate will be offered to those staying there. The Inn also provides you with a delightful breakfast and an evening reception. The fee includes class and 1 meal from me. This has been a popular location for many please give it a try. Sign ups start immediately and a waiting list will be kept.

Let's Quilt Retreat - Lincoln, CA NEW A new location for you to try! Held at the quilt shop known as Sew Katie Jean, you will have a grand time in their classroom as well as being in the store. The shop has a great atmosphere and the staff is very welcoming. The price includes the class and 2 meals from me. Lodging is on your own, but I've been assured there are options. I hope you'll try this retreat and help me explore this new location.. This will accommodate a smaller group, so don't waste time in signing up.

Let's Quilt Retreat - Chico, CA As always this is a fun location for the retreat sewing in a quilt shop! The price includes 2 meals and the retreat lodging will now be on your own FYI there is a Best Western across the street. and a DoubleTree around the corner. The classroom is spacious and has everything you would want to make you comfortable. Sign up quickly as it fills fast.

Let's Quilt Retreat - Redding, CA Just think, a retreat in a quilt shop and you get to wander around during business and non business hours what could be better! You'll be sewing at Sew Simple Quilt Shop, a shop that's been in business for 20 years. The retreat fee will include the retreat and 2 meals. Lodging will be up to you, but don't worry, there are plenty of choices nearby. This retreat can accommodate many quilters, so come and have a great time! Space is limited, sign ups begin once you receive this form. A waiting list will be kept.

Let's Quilt Retreat - Colusa, CA Held at Friends Around the Block quilt shop, this location is becoming a favorite for many. The classroom is wonderful as is the staff and the fabric selection (something for everyone). The price includes 1 meal and of course the class and other goodies. You will have to find your own lodging, but I feel that's not a problem. This town is quaint and very charming, you won't want to miss this one. This will be a smaller size retreat and that means more personal attention from me and the staff.

Due to the increase of goods and locations, I find I need to either raise my prices or eliminate a meal. This has not happened to all retreats but to many. Please read each line carefully so you see no surprises.
